

Dear Mudgee Gulgong Wolves Football Community,

As the newly elected President of the Mudgee Gulgong Wolves FC, I wanted to reach out to personally introduce myself and bring you up to date with a number of significant changes that were actioned as part of the club's recent AGM held on Monday 19th October 2020.

My name is Christopher Clegg. My wife Amber and I moved to Mudgee from Sydney in 2016 with our three kids, Pia who is five, Harper who is seven and Layla, our foster child, who is eleven.

We moved to Mudgee to establish and run Beragoo Homestead, a facility which provides respite care for people with disabilities and/or mental health issues.

I'm a passionate person. Passionate about people, about business and of course football! I have played and been involved in football my entire life and since moving to Mudgee I have been an active member of the Mudgee Gulgong Wolves club as a player, coach and committee member.

While I step into the role of President with a great sense of pride and I'm excited about the future of the club under the new leadership team, it is important to acknowledge the success our club has achieved over many years under the leadership of outgoing President Peter Mitchell.

Peter has been on the Committee at the Wolves since 1996 and President of the club for over 20 years. For one person to have committed so much time and effort to our club over the past 24 years is testament to the love that Peter has for football, but especially football in our local area.

Clubs like ours are built on the back of the hard work, commitment and dedication of people like Peter and other outgoing committee members such as Justin Burge, Steve Lowe, Tim Jarvis and life-member, Julie Shearer.

On behalf of the club I want to thank the outgoing committee members, especially Peter Mitchell, for their role in building our club into the great club it is today.

The reason I nominated for President alongside members of the new committee, is that I wanted to be part of the club's next phase of growth. I believe the club is great as it is, but I also believe we can make it better.

Together with Josh Hurt (Vice President), Ed George (Treasurer), Sherry Fleming (Secretary), John Freebody (Registrar), Matthew Nipperess (Public Officer), Rochelle Bailey & Trevellyn Mahon (Member Protection Officer's / COVID Officers), John Skinner (Canteen Coordinator), Tony Vitnell (Equipment Officer), Jessica Salomoni & Josh Fleming (Sports Council Representatives) and other members of the committee, I commit to leading a number of exciting changes within the club that are simple, but will create a greater sense of belonging for members of all ages.

“New Look - New Vision - New Culture”.

In the coming weeks we will look to formalise a new club vision:

Mudgee Wolves FC is all about inclusion, we open our doors and welcome all ages, genders and abilities. We exist to provide the highest levels of quality Football coaching for our players and to enhance their social, emotional and physical health in a positive safe environment.

Together with a unified committee, we will work to include and empower all families, coaches and members.

We will have total transparency in all we do and we will endeavour to keep you, our club members, updated on everything that is happening around the club through clear and regular communication.

I don't expect the coming weeks, months and years to be easy, as a new committee, we will no doubt get things wrong. However what I commit to you is that whatever action we take will be taken with the best interest of the entire club.

I ask that as club members you get behind your new look committee as we work towards making The Mudgee Gulgong Wolves FC as strong as it can possibly be!

Yours in football,

Christopher Clegg
